Kids Party FAQs

How does it work?

Are the food and cake served in separate rooms?

No. The whole event takes place at the designated lanes. Food and beverage are served right to the bowling area. Food is served about 15 minutes after the whole group arrives and the cake is presented about 30 minutes before the event ends.

Is there an age restriction?

Yes. Kings does not book events for children under 6. Kings suggests Mini Bowling for children between 6-7 years old.

What do I have to bring?

Nothing! Kings provides the plates, silverware, candles, balloons and almost anything you may need.

Can kids use the big balls (Ten Pin bowling)?

Yes, with consistent adult supervision and if they are 6 years of age or older. We offer special 6 pound big balls for the younger groups.

What shoe sizes to you have?

We offer kids shoes down to children's size 9. If your party is on the Mini Bowl lanes shoes are not required.

What does my server do?

The server is there to get food and drinks out and help maintain the event. The server is NOT in charge of supervising children, but will help with any bowling questions and entering names. Parents are required to supervise children.

What's the difference between Package 1 & 2?

Package 2 has ½ hour more bowling & extra food. Most parents have found that Package 1 is the perfect "size" for children ages 6 & 7.

Do the parents eat & bowl?

Parents typically do not bowl during a kids party unless they sign up for bowling at the Front Desk on their own. The food included in the packages so for the children only. We offer our full menu to any parents who attend. Ask about our adult, corporate and family packages as well!

Can I bring my own food?

No, Kings provides all food and beverages. There are no substitutions in the packages.

What if a child has an allergy?

Please notify us of any special dietary needs of any guests in the party. We will work to accommodate them within our menu options. Kings does not offer Kosher Food.

Do I have to bring my own cake?

No, a cake is included. Our cakes are special ordered for your party and are personalized with your child's name. You can bring in your own cake but there are no substitutions in the packages.

Are there bumpers on the lanes?

All of our lanes (including mini bowl) have bumpers available. They can be set per individual or for the entire group

Are there other games?

Included in Birthday Party Packages is Ten Pin Bowling or Mini Bowling only. Other games at Kings are first-come, first-served. We have an Air Hockey Table, a Photo Booth, and a variety of video games. All take \$1 bills or quarters. There are also 2 regulation shuffleboard tables that can be rented through the Front Desk.

What is Mini Bowl/Roller Ball?

Mini bowling is a great twist on Traditional Ten Pin bowling. The lanes are half the size of traditional 10-pin bowling lanes, with automatic scoring, bumpers, and light-weight candle-pin sized balls. It is NOT candlepin bowling. It is recommended for children ages 6-7. While Mini Bowling is fun for all ages, we find that children ages 8+ prefer Traditional Ten Pin Bowling.

Is the room private?

Two Mini Bowl lanes in the Royal Room will be reserved for the party, and a table will be set-up next to the lanes for the food to be served to. The other Mini Bowling lanes and activities in the Room will be open for other guests to use. If you are interested in renting the whole room, please talk to an Event Coordinator about our Private Room Packages.
